R.No.635/WB/47 Dated 3 May 1947.

Sir,

Sub: Buildings - Government Railway Police, Madras District - Improvements to the Railway Police Line huts at Hospet Estimate - Submitted for approval

---

I submit herewith for the approval of the Government a plan, and an estimate received from the General Manager, Madras and Southern Mahratta Railway, Madras, for improvements to the line huts attached to the Railway Police Outpost at Hospet in the Government Railway Police, Madras District.

2. The line huts belong to the Railway Administration. The flooring in these huts gets damp and that affects the health of the men and also breeds white ants. Cement flooring is, therefore, necessary. The partition walls are so low that they have to be raised to afford security, and the provision of iron bars is also necessary for the windows. A bath room has to be provided to afford privacy. The enclosed plan indicates the proposed improvements.

3. The work will be executed by the Railway Administration to whom the following charges are payable by the Police Department:

(a) Rs.20/- on account of deposit amount.
(b) Rs.1-0-10 per mensem on account of additional rent after the improvements are carried out.

4. The expenditure will be met from the appropriation under "29.G.Police - Railway Police - D. Other charges - Voted."
